ARTICLE VII.

The Secretary of the Association shall notify the Respondents that the Complaint has been properly filed.

Sec. 2. The "Respondents," if they wish to answer the complaint, shall, within three days from the receipt of same, mail, post-registered, to the President and the Secretary of the Association and to the Secretary of the "Complainants," their Reply, containing a short summary statement of their answer to the complaint, with copies of the declarations or other material to be used on the hearing of the complaint. The "Reply," addressed to the Secretary of the Association, shall be accompanied by a draft, post office order or express order for \$25.00.

Sec. 3. The "Respondents" may at the same time that they mail their "Reply," make any "Counter Charges" they may see fit against the "Complainants" in the same manner as provided in Section 1 of this Article, but no additional deposit shall be required. The "Complainants" shall, if they wish, defend the same, within the time and in the manner provided by Section 2 of this Article, but no additional fee shall be required.

Sec. 4 If no Reply shall have been received by the Secretary of the Association within one week after the receipt by him of the Complaint, the Secretary shall then notify the President of the Association, and, provided a statutory declaration has been received by him, establishing that the Complaint was duly mailed as provided by Section 1, the President shall thereupon allow the conclusions of the said Complaint.

Sec. 5 If the said Respondents make a reply, the President shall immediately instruct the Secretary to notify the Judicial Committee, and the Complainant's and Respondents, when and where the said Committee shall meet to hear evidence and decide the case. The first meeting of the Committee shall be held at the place deemed most convenient by the President, as soon as possible after the receipt of the Reply. Three members shall form a quorum in all cases.

Sec. 6 At the hearing, the President shall be Chairman, except as provided in Article III, Section 2, and both Complainants and Respondents shall have the right to be represented by not more than two members. The proceedings before the Committee shall be conducted as nearly as possible under Judicial Rules, and the evidence presented shall be under solemn declaration as provided by "The Canada Evidence Act." The Committee shall have power to order either party to produce such evidence as they may desire to hear and may hear the verbal statements of the Referee, Umpires or other disinterested parties, but shall be guided, in their determination of the case, by the written evidence.

Sec. 7. The Committee, having heard the evidence and the argument, shall render their decision as soon as possible, and shall have the right to make such order as to the payment of the expenses as shall seem just to them. They shall have power to adjourn the hearing, if deemed advisable. The balance (if any) of the deposit shall be returned, in accordance with terms of the judgment.

Sec. 8. The Committee must give all decisions in accord with the Rules and Constitution, and have no authority to make any exception from the strict letter of the law. They shall when

giving a decision, state the reasons for giving the same. They shall have the power to hear and determine all cases on their merits, notwithstanding any technical objection raised by either party, provided the Committee, or a majority thereof, are satisfied that neither party is prejudiced thereby.

Sec. 9. Copies of the decision, signed by the Committee or by the majority thereof, shall be forthwith mailed, post-registered, by the Chairman of the Committee to the Secretary of the Association, who shall, on receipt of the said decision, or on being notified by the President, as provided by Section 4, enter the same on the books of the Association, and, if deemed necessary, forward copies thereof to all members of the Association.

Sec. 10. Any club refusing to accept and abide by the decision of the Committee, shall forfeit its membership in the Association, and the decision shall be entered in favor of the successful party, notwithstanding this refusal.

Sec. 11. In the event of the President suspending any player, as provided in the Constitution or Rules, the Judicial Committee shall meet and hear the evidence of the suspended player or players, also that of the person or persons making the charge, and shall decide whether the certificate be renewed, suspension extended or cancelled.

Sec. 12. In no case shall any part of the deposits referred to in Sections (1) and (2) of this Article be applied in payment of any but necessary travelling and hotel expenses of the members of the Judicial Committee present at the hearing of the dispute; and no member of such Judicial Committee shall be entitled to any remuneration for attending at any such meeting.

Sec. 13. A detailed statement of all expenses in connection with any such dispute shall be furnished by the Secretary to both the disputing parties, within three days after the disposition of the questions in dispute by the Judicial Committee, and unless this statement be disputed within four days from the date of the mailing by the Secretary, it shall be conclusive and binding on all parties. But in the event of its being disputed, the Judicial Committee, at its next meeting, shall inspect the account and do justice to the parties, charging the Complainants such further

costs as they may see fit, if the first statement be correct, but allowing their appeal without further costs if the account be not correct as against them.

ARTICLE XI.

Sec. 1. Each club having membership in this Association shall annually supply the Secretary of this Association with a list of its playing members. Upon receipt of said list, and provided all dues are paid, the Secretary shall issue to each club, a certificate for each of its playing members, stating that the member is entitled to play in matches for his club, and until such certificate has been issued the member shall under no circumstances be permitted to play in matches for his club. RULES OF LACROSSE.

Adopted at the Organization of the Canadian Lacrosse Association, Toronto, 22nd April, 1887, amended at Paris, April 18th, 1888; Niagara Falls, April 16th, 1889, and at Woodstock, April 15th, 1890. Revised and consolidated at Toronto, April 21st, 1891, by the Canadian Lacrosse Association. Amended at Toronto, April 19th, 1892, March 31st, 1893, March 23rd, 1894. Amended at Stratford, April 12th, 1895, and at St Catharines, April 3rd, 1896. Revised and consolidated at Toronto, April 16th, 1897.

RULE I.

THE LACROSSE.

Sec. 1. The Lacrosse may be of any length to suit the player, and shall not exceed one foot in width. It shall be woven with cat-gut, which must not be bagged. ("Cat-gut" is intended to mean raw hide, gut or clock string; not cord or soft leather.) The netting shall be flat when the ball is not in it. A string must be brought through a hole in the side of the tip of the turn, to prevent the point of the stick catching an opponent's Lacrosse. A leading string resting upon the top of the stick may be used, but shall not be fastened so as to form a pocket lower down the stick than one of the length-strings. The length-strings shall be woven to within two inches of their determination, so that the ball cannot catch in the meshes. Metal of any kind shall not be allowed upon the Lacrosse; splices must be made either with string or gut.

RULE II.

THE BALL.

The Ball shall be Indian rubber sponge, not less than seven and three-quarters, nor more than eight inches in circumference, and four and a half to five ounces in weight. In matches it shall be furnished by the home club.

RULE III.

THE GOALS.

Sec. 1 Each goal shall consist of two flag poles six feet apart, and six feet high out of the ground, including any top ornaments. They shall be placed at least 110 yards and if the grounds will permit 125 yards from each other. In matches they must be furnished by the home club.

Sec. 2. The Goal Crease shall be a marked line, twelve feet square and the flag poles shall be placed six feet from the front and back lines, and three feet from the side lines.

RULE IV.

THE TEAMS.

Sec. 1. Twelve players shall constitute a full team; they shall be regular members and in good standing of the club they represent and of no other club, and shall be bona fide residents of the municipality where the club for which they play is situated, or within a radius of two miles thereof.

Sec. 2. The players on each side shall be designated as follows: "Goal Keeper," who defends the Goal; "Point," first man from Goal; "Cover Point," in front of Point; "First, Second and Third Defence Field;" "Centre," who faces; "Third, Second and First Home Field," and the player nearest the opponent's goal shall be called "Inside Home" and "Outside Home."

Sec. 3. Players shall not be allowed to change clubs during the season unless they be members of a Junior or Intermediate Club in amalgamation with a Senior Club or representing a club whose

Senior Team are members of the Association, in which case they shall be allowed promotion to the Senior Club Team, but in no case shall any player be allowed to return to the Junior or Intermediate Team during the same season after having played on more than one occasion with such Senior Team, or unless they be members or ex-members of a School, College or University, in which case they shall be eligible to play for such School, College or University Club and one other club only.

RULE V.

FIELD CAPTAINS.

Sec. 1. Field Captains, to superintend the play, shall be appointed by each club previous to the commencement of a match. They shall be members of the club for whom they act, and of no other. They may or may not be players in the match.

Sec. 2. Field Captains who are non-players shall not carry a Lacrosse, nor shall they be dressed in lacrosse uniform, nor shall they in any manner obstruct the play or interfere with an opponent during the match.

Sec. 3. They alone shall be the representatives of their respective teams in all disputes.

Sec. 4. They shall toss for choice of goals, and none other than either of the said Field Captains, or the Referee, shall be allowed to claim "foul" during a match. The Field Captains shall report infringements of the laws during a match to the Referee. They shall also define the bounds of the playing field and report same to the Referee.

Sec. 5. Before the commencement of a match each Field Captain shall furnish the Referee with a full and correct list of his team, together with a Certificate for each member of his team, signed by the President and Secretary of the Association, and by the player mentioned thereon, as provided for in the Rules and Constitution.

Sec. 6. If, after the commencement of a match, it becomes apparent that either Umpire is guilty of giving unjust decisions, the Field Captain of the side offended may enter a protest with

the Referee against his conduct, and ask for his removal, and the reversal of the Umpire's decision.

Sec 7 The Field Captain as well as the members of his team shall be answerable to the authority of the Referee, and shall be liable to expulsion from the field by the Referee.

RULE VI.

REFEREE.

Sec 1. The Referee shall be a disinterested party and shall not be a member of either of the contending clubs, unless agreed upon by both clubs. Should the clubs agree upon a Referee, they shall make a written memorandum in triplicate of the agreement, which shall be signed by both field captains, a copy being kept by each of the field captains and the other handed to the Referee. In the event of the disagreement of the field captains, the President of the Association, or the acting President, shall appoint, at least one day before the match, a gentleman to act as a Referee. No appeal can be made from the President's decision. The President shall at once notify the Secretaries of the competing clubs and the Referee of the appointment. Should the President be a member of one of the competing clubs, the 1st Vice-President shall make the appointment, and in the event of both the President and 1st Vice-President being members of the competing clubs, the 2nd Vice-President shall make the appointment. The authority of the Referee shall commence from the time of the appointment and shall continue until the end of the match.

Sec. 2. Should a Referee be chosen whose residence is not in the place where the match is to be played, the home club shall be liable to him for his expenses and shall pay the same to him. If the Senior or District Committee of Management decide that the home club shall take all the gate money at home matches, the expenses of the Referee and Umpires shall be borne by the home club; but if the gate is to be divided, then such expense shall be borne by the two clubs in the proportion in which the gate money is shared.

Sec. 3. Before the match the Referee shall see that properly

qualified Umpires are selected as provided for in Rule VII and Time Keepers as provided for in Rule VIII.

Sec. 4. He shall also obtain from each of the Field Captains a list of their teams, together with a Certificate for each member of each team, signed by the President and Secretary of the Association, and the player mentioned thereon, as provided for in the Rules and Constitution. And under no circumstances shall any person or persons be permitted to take part in any match unless said Certificate has been produced.

Sec. 5. When "foul" has been called by either Captain, the Referee shall immediately call "time" or blow his whistle (except as provided in the following Section), after which the ball must not be touched by either party, nor shall the players move from the position in which they happen to be at the moment, until the Referee has again started the game.

Sec. 6. He shall not have the power to suspend play when the player who has been fouled is still in possession of the ball or the ball remains in the possession of such player's side.

Sec. 7. The jurisdiction of the Referee shall not extend beyond the match for which he is appointed. At the commencement of each game and after "fouls" and "ball out of bounds" he shall see that the ball is properly faced. He shall have the power to call a foul on any player or field captain during the match, whether a foul has been claimed by the field captain of either side or not.

Sec. 8. Any side rejecting his decision, by refusing to continue the match, shall be declared losers. All disputed points or matters of appeal that may arise during his continuance in office shall be left to his decision, which shall be final, provided his decisions have been in accord with the Rules and Constitution.

Sec. 9. If "foul" has been claimed by either field captain, and the game scored before the Referee has had an opportunity to call "time," the Referee shall decide whether or not a foul has been committed, and if he decides that a foul has been committed, it shall be optional with him to allow the game, give a free throw, or face the ball.

Sec. 10. In the event of a complaint being made and proven against the decisions of either Umpire, the Referee shall dismiss the Umpire and appoint another, setting aside and reversing the decision objected to.

Sec. 11. The Referee shall not entertain any protest with a view to prevent a player taking part in a match if he holds a playing Certificate, but should the player be in possession of a playing Certificate that has been suspended, he shall not allow him to play. In the event of any person attempting to play under an assumed name, the Referee having positive knowledge of the same, shall have authority to order the field captain to drop him off the team, nor shall the club be allowed to substitute another player for him, and in the event of a refusal to obey the Referee's decision in this matter, the match shall be awarded to the opposing club.

Sec. 12. The Referee in championship matches must, at the close of the match, if requested, supply the captain of the winning club with a certificate of the result of the match. He shall also within two days from the date of the match, forward, post-registered, to the Secretary of the Association, a like certificate, and if the club or any player has violated the Constitution or Rules of the Association, he shall report the same in his certificate, together with any other special circumstance which he considers should be reported to the Association.

Sec. 13. The Referee shall in addition to his control of the players have control and jurisdiction over the two field captains, and in the event of either field captain interfering with the players in the opposing team, or being guilty of threatening, profane or obscene language, or in any way violating any rule that would bring a player under censure, the Referee shall be empowered to order the field captain to leave the field, and the refusal on the part of any field captain to obey such a ruling shall forfeit the match to the opposing team.

Sec. 14. In the event of Umpires not being appointed by consent of the clubs, it shall be the duty of the Referee to appoint one or more Umpires as may be required, neither of whom shall be one of the parties objected to by either club.

Sec. 15. The Referee shall, when he deems it necessary, request a player or players to sign his or their name or names for the purpose of comparison with the signature attached to the Certificate.

RULE VII.

UMPIRES.

Sec. 1. There shall be two Umpires, one at each goal. They shall be disinterested parties, and shall not be removed during the progress of the match except by the order of the Referee.

Sec. 2. The Umpires should be selected by competing clubs not later than the day before the match, each being allowed three nominations and three objections. Should they not be appointed, or in the event of disagreement, the Referee shall make the appointment.

Sec. 3. They shall not change goals during the match, and shall stand behind the flags. In the event of the game being claimed, the Umpire at the Goal shall at once decide whether or not the ball has passed through the flags, his decision simply being "game," or "no game," without comment of any kind. His decision shall be final, except as provided in Rule VI, Section 10.

Sec. 4. Should an Umpire or Umpires be chosen whose residence is or are not in the place where the match is to be played, their expenses shall be paid in the same manner as those of the Referee as provided in Rule VI, Section 2.

RULE VIII.

TIME KEEPERS.

Sec. 1. Two Time Keepers shall be appointed, one by each field captain, before the commencement of the match, whose duty it shall be to keep an accurate account of the time of each game, deducting time for stoppages in the actual play, resulting from injuries to players, ball out of bounds or disputes. They shall also keep a record of all time lost between games. They shall immediately report to the Referee any variance in their time and the matter shall be at once decided by him. The

Referee shall compare the record of both Time Keepers immediately after each game. He shall be guided by them as to the duration of the match.

RULE IX.

THE GAME.

Sec. 1 The game shall be started by the Referee placing the ball in the centre of the field between the sticks of the players facing, and when both sides are ready the Referee shall call "play." The players shall have their left side towards the goal they are attacking, and in every case the ball must be drawn.

Sec. 2. Games in all cases must be won by putting the ball through the goal from the front side.

Sec. 3 Either team may claim ten minutes rest between games, unless said game shall have been of less duration than fifteen minutes, in which case not more than five minutes shall be allowed before commencing the next game.

Sec. 4 After each game, the opposing teams shall change goals.

Sec. 5. Should the ball be accidentally put through a goal by one of the players defending it, it shall be a goal for the team attacking the goal. Should it be put through a goal by any one not actually a player it shall not count.

Sec. 6 In the event of the goal post being knocked down and the ball put through what would be the goal in the opinion of the Umpire at that end, if the goal posts were standing, it shall count game for the attacking side.

Sec. 7. In no case must the ball be faced closer to the goals than ten (10) yards in any direction.

Sec. 8. The goal keeper, while defending his goal within the goal crease, although not allowed to catch and throw with his hand, may put away with his hand, or block the ball in any manner with his lacrosse or body.

Sec. 9. Should the ball lodge in any place inaccessible to the lacrosse it may be taken out, and the party picking it up shall "face" with his nearest opponent.

Sec 10. Should the ball catch in the netting, the lacrosse shall be immediately struck on the ground to dislodge it.

Sec. 11. Ball thrown out of bounds must be "faced" at the nearest spot where it left the bounds, and all the players shall remain in their places until the ball is faced.

Sec. 12. Players may exchange their lacrosse during a match

Sec. 13. If the player should be in possession of the ball when "time" is called, he must drop it on the ground. If the ball enters the goal after "time" has been called, it shall not count.

Sec. 14. Should a player lose his lacrosse during the game, he shall consider himself "out of play," and shall not be allowed to kick the ball or touch it in any way until he recovers his lacrosse.

Sec. 15. Any player considering himself purposely injured during the play must report to his captain, who shall report to the Referee.

Sec. 16. Should a player be injured during a match, and compelled to leave the field, the opposite team shall drop a man to equalize the teams during his absence. In the event of any dispute between the field captains as to the injured player's fitness to continue the game, the matter shall at once be decided by the Referee.

Sec. 17. Should one team be deficient in the number of players, at the time fixed for starting a match, their opponents may, if they see fit, limit their own number, to equalize the sides.

Sec. 18. No change of players shall be made after the match has commenced.

Sec. 19. Should a foul be claimed and disallowed, the side against whom the foul has been claimed, shall be allowed a free throw or the ball shall be faced, at the option of the Referee; should the foul be allowed the player fouled shall have a free throw, but in no case shall it be made within ten (10) yards of the goal. By a free throw it is understood that the player fouling and the one fouled shall be placed in the same positions as they occupied immediately previous to the foul, the player fouled having the ball on his lacrosse. If, at the expiration of that time, each club shall have won an even number of games, then the Referee shall order the match to continue, and if within thirty minutes either club score, they shall be declared winners; otherwise the match shall be declared a drawn match, unless the captains agree to again extend the time and play until one team shall win a game, or until a certain fixed time when, no game having been won, the match shall be declared a drawn match.

Sec. 21. On the day selected, if one club only put in an appearance, it shall be entitled to claim a victory by default. If its opponents refuse to fulfil their engagement, or do not appear upon the ground at the specified time, the club complying with the terms agreed upon shall be declared the winner of the match, unless the defaulting club is delayed by circumstances beyond its control. Unless satisfactory reasons are given to the Judicial Committee, and twenty-four hours' notice of such default has been given to the opposing team, the defaulting team shall pay all legitimate expenses of their opponents in connection with this match, and shall forfeit their membership in the Association and all rights thereto until the expenses are paid.
